RIVERSIDE CHURCH

A beautiful modernized thirteenth century French Gothic edifice on Riverside Drive and 122nd St. almost opposite Grant's Tomb, this church rises to a height of 21 stories and above the 21st story is the belfry with the carillon of 72 bells. Inside this magnificent masterpiece of architecture the ancient and modern designs meet without clashing in their imposing dignity.

Dear Hazel,

The lilies are in bud and the magnolias & shrubs are in flower. The tulips are out and they are beautiful. We've had over 100 visitors in this week. I have to work on all Easter parades to have them in order as well as the Bishop's work - will write later. Love to all. Esther
